Dear Jeff,

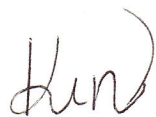

What can I say but "thank you." As the event planner and a guest of the party, you made my job easier and my evening enjoyable. You were an excellent choice for the emcee of the event, as you made the retirement party into a special and memorable celebration for all.

I appreciate your upfront desire to understand the purpose of the event and the "temperature" of the attending audience. It really paid off. The accolades I have received from the guests and the guest of honor have been extremely complimentary. You were a great addition to the night, and I think my idea of you as "CEO candidate" still stands. Ha-ha, made you laugh!

I am sure this won't be the last you hear from Satellite Healthcare.

Again, thanks for the many laughs.

Sincerely,

Kim Hernandez
