Mr. Jeff Applebaum

Dear Jeff,

Our "Food for Thought" fundraiser with Stem Cells and Genetics as its theme had the potential to be a real heavy. You succeeded in bridging the gap between academia and society with your own sense of humor.

Our largely Jewish audience, made up of parents and Stanford stuffed shirts, were rolling in the aisles. Only a comedian knows how difficult it is to move a Jewish audience to laughter.

We are so grateful that you shared your time and talent with us. Thank you.

Sincerely,

Rabbi Avi Schochet  
Headmaster
