To Whom It May Concern:

It was a pleasure to work with comedian Jeff Applebaum. Jeff was hired to perform at our company's awards banquet dinner. I truly appreciated the fact that Jeff took the time to find out about the purpose of our event.

Jeff was very accommodating at incorporating pertinent details that dealt with our particular type of business in his act. We had asked Jeff to pretend to be a bumbling executive from an unknown corporate office. He came up with some great material that kept the crowd guessing. After taking the audience for a ride with his wry humor, Jeff finally revealed who he was.

The audience could not stop laughing through Jeff's hilarious act. We were all extremely satisfied with his performance. Jeff seemed to be a perfect fit for our event. He engaged the audience and made us laugh through his entire routine.

I would certainly recommend Jeff Applebaum for any company that is in need of a very funny comedian. He will work with you, and he would be a very exciting addition to your event.

Sincerely,
